**Hank Cleare, CFP®**  
CERTIFIED FINANCIAL PLANNER™  
Financial Strategies Group

CERTIFIED FINANCIAL PLANNER™ professional Hank Cleare is deeply committed to helping clients understand and plan for their financial future.

As a Wealth Manager, Hank offers individuals and couples his comprehensive investment experience. His career began with the Federal Reserve Bank of Atlanta in 1991. He later became a financial consultant for commercial banks purchasing investment firms, specializing in bank-owned broker-dealers. To secure his own future, Hank invested in residential real estate for a diversified investment portfolio. In the early 2000s, Hank was a founding partner of Searcy, Weems-Scott & Cleare, a member of the Atlanta-based independent financial planning consortium, Integrated Financial Group.

In 2009, Hank married Kimberly DeProspero, CFP® and merged his practice to form Financial Strategies Group. Together, Kim and Hank offer a distinct and valuable dynamic in financial planning services: a dual perspective. They blend their Atlanta and Weston, Florida-based practices into a 'family office', offering concierge-level services to each and every client.

Education plays a big role in Hank's approach to financial planning. When Hank's grandmother was stricken with a debilitating illness, he learned first-hand how unexpected life events can impact the future. As part of each comprehensive strategy, Hank teaches clients the importance of long term care planning and takes pride helping families plan for their needs and those of their aging parents. Passionate on this matter, Hank has worked with the Alzheimer's Association for many years. He was nominated to the Board of Directors for The Alzheimer's Association Southeast Florida Chapter in October 2016.

Hank graduated from The University of Florida with a Bachelor of Science in Business Administration. He regularly attends industry workshops in addition to being a member of the Broward County Chapter of the Financial Planning Association (FPA) and the Financial Services Institute (FSI). FSI is an advocacy group focused on independent financial advisors.

Hank resides in Fort Lauderdale, Florida with his wife, Kimberly. Outside the office he enjoys fishing, diving, golf, tennis and boating. Together they make time for travel, friends, and family.
